

ABOUT GEORGIA

Georgia has lived in Forest Row for 20 years and she has been a Parish Councillor. Georgia has worked in central government and on international projects supporting small business development and the strengthening of health systems. Georgia understands how government and large organisations operate, and she knows how to get things done.

An independent voice on the council

“Georgia will bring initiative and fresh energy to the County Council. She is a strong and independent voice standing up for all residents” **Councillor Keith Obbard, Wealden District Council**

“Georgia listens to people’s concerns and ensures that no one is forgotten. She is a powerful force for good ” **Councillor Patricia Patterson-Vanegas, Wealden District Council**

Local people and local businesses know that Georgia will listen to them and get things done

“Georgia and Patricia did a great job representing local businesses when we were struggling during the first phase of the pandemic. We now have outdoor dining on the village green spaces. We are looking forward to working with Georgia as a County Councillor”.

It’s between GEORGIA TAYLOR and the Conservatives

YOUR CHOICE AT THE COUNCIL ELECTION:

ANOTHER CONSERVATIVE COUNCILLOR TOLD HOW TO VOTE AND WHAT TO SAY BY THEIR PARTY	OR	GEORGIA TAYLOR FREE TO SPEAK UP FOR FOREST ROW & GROOMBRIDGE
--	-----------	---

YOU DECIDE

1. Which party have you heard from most often during the year?
2. Which candidate is free to speak up in the interests of our area, rather than being told how to vote by their party?
3. Which candidate can win?

The answer is clear. **Voting for anyone other than Georgia will just increase the Conservative majority. Georgia will be an independent voice, able to speak up for our area and hold the Conservatives to account. Georgia will work hard for you all year round.**
